

PORTARLINGTON

L e i s u r e C e n t r e

Regretfully, our facilities will be closed until January 31st, 2021 in compliance with Full Level-5 public health restrictions. We will then review the situation based on the advice at that time.

While we would love to be a part of your healthy start to 2021, it's just not to be at present. As we enter a 4th closure our main thoughts are with our customers, members and staff staying safe and well during this stage of the pandemic.

Hopefully vaccine roll-out and sensible behaviour will allow us to get back to providing health & leisure activities in the months ahead. Thank you all for your support to date and we look forward to seeing you all again as soon as possible.

Seán Quirke—Manager
